

DULUTH, MN

An International Port City on the Shores of Lake Superior

BIRTHPLACE OF BOB DYLAN

Duluth is proud to be the birthplace of celebrated singer/songwriter Bob Dylan. Though his time in Duluth was brief - he moved to Hibbing, Minn. at the age of six - Dylan's artistic spirit lives on in our community's lively arts and cultural scene. The City of Duluth

designated a cultural pathway in honor of Dylan, called Bob Dylan Way. The 1.8-mile path marked with signage, winds through downtown, extending from Michigan Street at 5th Avenue West to 15th Avenue East and London Road. The drive follows Michigan Street, Superior Street and London Road (which leads to the "Highway 61 Revisted" of the album), linking some of our city's celebrated cultural assets, including the Depot and the old Armory.

Located in northeastern Minnesota, Duluth is just 2.5 hours from Minneapolis/St. Paul and Thunder Bay, Canada

Dylan spent his first 6 years of life in a house in Duluth's hillside located at 519 North Third Avenue East
