

Alpine Helen/White County Georgia

~A New Adventure Everyday~

Travel: to a place that has Old World towers, gingerbread trim, traditional German foodstuffs and strasses and platzes spilling over with Scandinavian goods.

See: a natural beauty perched on the Chattahoochee River in the Northeast Georgia Mountains, Alpine Helen-White County is home to a flourishing arts community: glass shops, art studios and specifically The Sautee Nacoochee Center: Visual and Performing Arts, the Helen Arts and Heritage Council, the Folk Pottery Museum of Northeast Georgia.

Shop: at more than 150 shops in Helen and Sautee-Nacoochee with the nostalgic Old Sautee Store and the Lavender Cottage and Garden.

Taste: Helen offers over 25 restaurants, Café's, Bakery's and candy shops to tempt your taste buds.

Enjoy: the world's largest Alpine model railroad museum at Charlemagne's Kingdom, and Babyland General Hospital home of the Cabbage Patch Kids a family-friendly retail store/gift shop.

Go: mining for gemstones in three different locations, Tube down the Chattahoochee River, ride horses in the Mountains, Zip line at three breathtaking locations, racing slot cars indoors, Fly fishing on Smith Creek, Dukes Creek or the Chattahoochee River.

Take: the Unicoi Wine trail and enjoy seven award winning White County Wineries/Tasting rooms, a ride down the mountain on the Alpine Coaster, Photograph Indian mounds, old mills, historical buildings and nature at its best.

Explore: the many waterfalls and hiking trails in the region - including the new Helen to Hardman Historical trail, canoeing, swimming, daily activities and the county's most difficult mountain bike trail.

Tour: the Historic Hardman Farm and Smithgall Woods Conservation area and Antique shops.

Stay: At Unicoi Adventure Lodge, Downtown Helen, Camping or in Luxury Cabins and B&B's.

Meet: In or Outdoors. Facilities to handle small retreats to larger meetings of 300 plus. With over 1,300 hotel rooms and 2,000 cabin rooms in and around Helen, we have something for everyone.
