

Florida's
ADVENTURE COAST
BROOKSVILLE ♦ WEEKI WACHEE

SCOOP UP SOME SCALLOPS IN *Nature's Place to Play*

July 1st through September 24th is scallop season along Florida's Adventure Coast. Don your mask, snorkel, and fins, and grab a dip net to search for scallops in our warm Gulf of Mexico waters.

After your day on the water, clean your bounty and stop by one of our "You Hook-We Cook" restaurants along Hernando Beach or Weeki Wachee, where you can get your catch prepared to order and served up with scrumptious side dishes.

Our water charters and boat captains can guide you to the area's best scalloping spots. Snorkeling in our Gulf waters reveals a variety of fish, sea turtles and you may even spot a manatee! For some land adventures, visit the world-famous Weeki Wachee Mermaids, then explore the Florida Mermaid Trail in historic Brooksville.

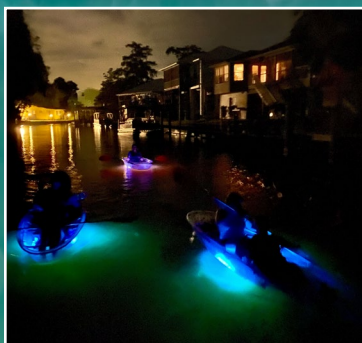

From boating on the Gulf of Mexico to paddling and exploring the stunning natural beauty of Florida's Adventure Coast, Brooksville-Weeki Wachee, we have an array of water adventures waiting for you.

Anglers can enjoy a variety of experiences, from deep-sea fishing for grouper and snapper to lake fishing for largemouth bass and crappie. Our local bait and tackle shops have everything you need to catch authentic Florida fishing memories.

Paddling is one of our signature adventures. Follow miles of popular canoeing and kayaking trails for an experience of Florida's natural beauty that you won't soon forget!

Cast your line while exploring mangrove-rimmed bayous and a vivid array of wildlife or just relax in one of our waterfront parks.
