

# visit Maine's Schoodic National Scenic Byway

## Welcome to the Schoodic Peninsula!

The Schoodic Area is exactly what people declare it to be: an unspoiled, uncrowded coastal Maine jewel. First-time visitors are typically amazed by all the peninsula has to offer.

The opportunities for outdoor adventures are endless and the vibrant community of artisans, historic sites, museums, and places to experience the coast of Maine will leave you breathless.

The 29-mile byway will take you through seaside villages and working harbors, and the “quiet side” of Acadia National Park

## Don't miss these notable byway spots

## Learn and Explore with Kids Quest

Look for “Kids Quest” sites along the Schoodic National Scenic Byway. Orient yourself with our Schoodic Outdoors Map and find our fun, educational *Kids Quest Guide* at various locations along the byway. You can also download and print a PDF or view the flipbook online at: [schoodicbyway.org/kids-quest/](http://schoodicbyway.org/kids-quest/)

Each of the seven beautiful outdoor locations will engage children and parents in the region's history, ecology, and culture!
