# Abbotsford

## Wisconsin's First City

Abbotsford was founded in 1873 and is located at the junction of State Highways 13 and 29. Abbotsford is home to the annual Christmas Parade, held the first Saturday evening in December since 1971, a true Christmas parade with no commercial floats. The hundreds of characters, lighted floats and walking units bring spectators by the bus load from all over Wisconsin year after year.

## Shopping & Dining

Numerous antique shops in the city and surrounding area draw in the treasure shoppers. Restaurants and the local dairy shop offer up delicious meals and many locally produced cheese varieties and ice cream flavors. Abbotsford offers an eclectic cultural shopping experience.

## Stay & Play

Visitors can unwind at one of several hotels. The city also boasts softball and baseball diamonds, parks, a golf driving range, tennis courts, indoor swimming pool, hiking, fishing, sledding and skating.

## Plan Your Day

After a restful night at one of the area hotels, start your day off right with a delicious home cooked breakfast at one of our friendly small town cafés.

Head on over to the antique mall to hunt for that unique and special treasure. Stop in at a local dairy shop for a variety of meats and cheeses.

Pick up a picnic lunch at the deli and head over to one of our parks. Enjoy a leisurely stroll or do some fishing. Hike around the scenic woods and ponds. During the winter, a skating and sledding area is perfect for the kids and the entire family.

Don't forget to grab a giant ice cream cone from Hawkeye Dairy and drive down the historic 100-year-old Yellowstone Trail -- this was the first motorized route that stretched from Plymouth Rock, MA to Puget Sound, WA.

As you unwind from your busy day, sit down to a great meal at a steak house, diner, Mexican grill, or pub for a variety of fine cuisine that is sure to satisfy every hunger.

**THE HOME OF COLBY CHEESE**  
 In the Colby cheese factory about one mile south and one mile west of here, Joseph F. Howard in 1905 developed a new mild, unique type of cheese. He named it for the town in which he lived, Amoskegon, Wisconsin. The town is taking its name from Colby, whose company built the Wisconsin Cheese Plant through here. Colby is a mild, sweet cheese. Its milk comes from the surrounding areas and in 1966 some of the Colby cheese was sold to the 15 members who people should keep with the "Colby" brand. Howard Colby Cheese.  
 After the name of the Colby this area became one of the great cheese producing areas in the nation and Colby cheese is made in quantities in "World Brand."  
 Joseph F. Howard

## Colby Industrial Park

Colby features an Industrial Park. Current businesses in the park are Colby Metal, Kelley Supply and a truck repair facility. Lots are available and are serviced with utilities. For more information, please contact city hall at 715-223-4435.

## Rural Arts Museum

The museum consists of the original railroad depot from the city of Colby, built in 1872, and a 1-room country school. A log home that was used for almost a century has also been added. The Rural Arts Museum entered a second era of development, the Heritage Building was built for the display of artifacts, during Wisconsin's sesquicentennial year. It features a rural main street in the 1890s. The Rural Arts Museum is operated by volunteers and benefactors and is open first and third Sundays from 1-4, Memorial Day to Labor Day and also by appointment. Call 715-223-3259 for more info.

# Dorchester

## Welcome to Dorchester

The Village of Dorchester was founded in 1873, and is located in Clark and Marathon counties in beautiful central Wisconsin. With a population of just 875, Dorchester is a quintessential small town – but one which offers easy access to an abundance of amenities and opportunities found in larger cities. Come spend the summer camping and fishing in our 43-acre park, ice fishing in the winter, and access to hundreds of miles of ATV/UTV and snowmobile trails all year long. Come for a weekend – or stay for a lifetime! You'll be proud to call Dorchester, Wisconsin your home!

## Come camp in Clark County's largest park

Dorchester Park's humble beginnings began with a simple conversation in 1967. Three years later the largest park in Clark County was open to the public. Camping is open from May 1 - October 31, and sites are available with or without electricity and sanitary sewer, so bring your RV, or tent and spend the summer in Dorchester. The 12-acre lake is ready for fishing with trout, bass, and bluegill. There are also shelters available for rent for your summer party or family reunion. Dorchester Park has biking and walking trails around the lake which take you past the S.S. Dorchester Memorial, honoring the more than 600 men who died off the coast of Newfoundland in 1942.

## Dorchester Memorial Hall – home of the Dorchester Red Devils

The summer of 1950 was the birth of the Dorchester Memorial Hall. The large community center was erected for the purpose of providing the Dorchester School District with a gymnasium and the community with a place for entertainment. The upstairs contains a large basketball court, a stage for a band and also a kitchen. The downstairs area consists of six bowling lanes, a kitchen, and a bar area. The Dorchester Red Devils' first game was in 1951, and they played until 1963, when Dorchester School District merged first with Abbotsford, and then later with Colby. The Memorial Hall still remains. A lot of improvements have been made to the hall throughout the years. The hall is available to rent for weddings, banquets, family reunions, bowling, and more.

Village of Dorchester

## Celebrating Dorchester's history

Since 1958, Dorchester has had a celebration of our village's history held over Father's Day weekend each year. Attracting visitors from all over central Wisconsin and beyond, Dorchester Days features a carnival, state championship tractor pulls, truck pulls, softball, horseshoe, beanbag tournaments, street dances, a charcoal chicken dinner, and a community parade.

## Small village, big opportunities

Our village crosses Highway 13, and is just minutes from State Highway 29, which provides easy commuting to Wausau, Marshfield, Medford, and Eau Claire. It's a great place to raise a family or to spend your retirement years, with access to excellent schools, top-notch medical care, and shopping, recreation, and entertainment just a short drive away.

Dorchester's Industrial Park is thriving with a multitude of domestic and international businesses providing innovative agricultural products, equipment and machinery, manufactured homes, and building materials throughout the U.S., as well as internationally. They include Meyer Manufacturing, Meyer Equipment, Mid-Country Homes, Parrett Windows and Doors, and Westar, the parent company of Team Whyachi LLC and their championship, award-winning battle bots.

Dorchester is the perfect place to grow or start your business with over 52 acres available with Highway 13 visibility. Build your new home or business right here in a village that cares. There are over 100 acres available to meet any of your building needs. Shovel-ready sites are available now with direct rail access, a nearby airport, excellent healthcare, and on major highways.

# Curtiss

## Welcome to the historic Village of Curtiss

Curtiss is located on the Yellowstone Trail, halfway between Wausau and Eau Claire along State Hwy 29. We may be small, but we have business, industry and much to offer. We are home to numerous small businesses, a large processing facility, authentic Mexican restaurant & banquet hall and a large 24-hour truck stop with a home cooking specialty restaurant. Many jobs and opportunities abound!

The Village has a Community Center (formerly the Curtiss School built in 1910), plus a Memorial Park and Village Park with a shelter, kitchen, modern facilities and a playground.

There are many recreational opportunities within a short distance of Curtiss, located right on some of Wisconsin's well-groomed snowmobile trails, with easy access to hundreds of miles of trails. Curtiss also ties into the Clark County ATV/UTV trails in Northern Clark County.

Curtiss is a friendly small village, waiting to welcome you. For more info, visit: [www.villageofcurtiss.org](http://www.villageofcurtiss.org)

# Chili

Chili, a small town in southeastern Clark County, reportedly got its name in 1881, from railroad officials determined to name the various stops along the line. At one stop, due to fierce blowing winds, officials would not leave the train. "Chilly" was the way the railroad officials described it, and after a misspelling, the name "Chili" came about. The railroad tracks are long gone, but miles of beautiful and well-maintained snowmobile and ATV trails run through Chili linking northern and southern Clark County to Wood County.

The Fire Department's Chili Street Dance is the main event in the community during the first weekend in August featuring live music, Little League baseball tournament, kids' activities, food & concessions and the Loyal Mini-Rodders Pull.

Chili has a small town feel with the convenience of being 10-15 minutes from larger cities.

## The Village of Granton: a little town doing big things

The Village of Granton rests among long stretches of rich farmland and nestled along the banks of O'Neill Creek. This buzzing little community sits between Neillsville and Marshfield and is home to 350 residents. This quaint little village is proud of its park, complete with a modern ball diamond and a pond stocked annually with fish and a small campground. Step back from the main street and you will find the residential area featuring large shade trees and true hometown living. The Granton area is rich in agriculture with dairy farming and cheese-making being predominant.

The school is the pride of the entire community. Go Bulldogs! It is one of the few schools in the area to boast a swimming pool, and with a dedicated group of teachers and staff it is no wonder Granton is the place to be. Fall Fest is our major event, held annually, the weekend after Labor Day. Posters announcing the many events are displayed around town and always feature a live band on Saturday, a weekend softball tournament, lots of kiddie events, and concludes with the Sunday parade. Please help us celebrate!

Granton businesses and service organizations include; Mapleworks Café, Roger's Grocery, Citizens State Bank, Dave's Barbershop, Granton Community Center, The C Store, Becker's Repair, Muscle Car Restoration, Granton Hardware, Hitch n Rail, Grassland Veterinary Clinic-Large Animals, Badger Animal Clinic-Small Animals, Kuehn's Appliance, Dave's Repair, Park View Campground and Granton Rotary, the largest rotary club in Clark County! # Greenwood

## People, progress, & pride

Greenwood, originating from the combination of two previous names, Greenland and Land of the Big Woods was incorporated in 1891. Greenwood is a peaceful city nestled on the banks of picturesque Black River. It's a community where people take pride in their progressive focus well into the future while keeping the relaxed, less complicated lifestyle of the past. Whether you are a visitor or a new resident, you are always welcome in Greenwood, the heart of Clark County. Greenwood boasts of a thriving agricultural industry evident by the prosperous farms and milk processing plants. It is home of the world's largest family owned butter producer, Grassland Dairy.

## Special attractions

Come and see the Peace Memorial, sculpted by Professor Ernest Durig from Switzerland who visited Greenwood in 1937. The memorial is sculpted from white sand and white cement, as far as it is known, it is the only monument made of this material in the United States. The memorial represents the Gold Star Mother holding with one arm, a fallen soldier, and the other hand holding high the American Flag. Greenwood's many activities include: Fourth of July Class C men's softball tournament, large fireworks display, Concerts in the Park, and Lion's and 4-H softball tournaments. Greenwood's End of Summer Fest features a car show, walk/run event, auction, many vendors, live music, children's entertainer, big screen movie at dusk, parade, and queen coronation. Enjoy the Greenwood Chamber Christmas Tour of Homes held the second Saturday in December every other year, Santa visit, Lighting of the Park, Easter Egg Hunt, and Dairy Breakfast.

## Parks

We have 2 beautiful parks to relax in. Summer is a great time to take a canoe ride or fish on the Black River at nearby Greenwood Park & Campground. Family and friends can spend the day finding the perfect pumpkin, mums, fall decorations or explore a corn maze at one of our local greenhouses. Winter recreation includes cross-country skiing, ATVing and snowmobiling on our many miles of trails.

# Loyal

## A city with room to grow

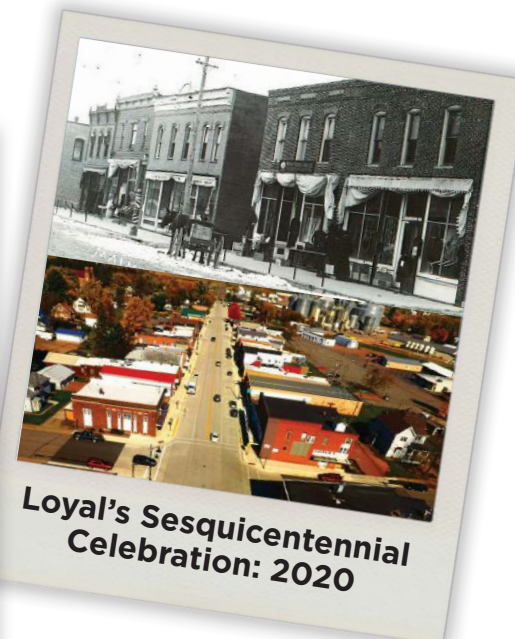

Loyal was so named because of the patriotic nature of the men of the pioneer town who went off to protect the Union during the Civil War in the 1860s. Loyal was established in 1870. Logging and pioneer farming brought settlers to the area that is now well known for its productive land use and dairy heritage and serves as a hub of a large agricultural area.

## Recreation & events

ATV/UTV and golf carts are allowed throughout the city, making it completely accessible and providing connection to the Clark County trail system. Loyal has three city parks. The West Side Community Park has two baseball fields, disc golf, a small golf course, volleyball court and a sheltered pavilion for family outings. The park is also home to a Veterans Memorial honoring its war veterans. It was inspired by the 2001-2002 eighth grade class and funded by the sale of engraved memorial bricks. The city may be best known for its annual August Corn Fest. It features Spanky's 5k and 10k run/walk, Jyllibean's Dash, corn on the cob, Lion's bingo tent, roasted chicken stand, evening truck and tractor pull and a Sunday parade down Main Street. September features a classic car and motorcycle show.

# Neillsville

Neillsville, the county seat, is located in southern Clark County at the intersection of US Hwy 10 and State Hwy 73. We are a great place to visit or call home with our unique setting which includes

indoor and outdoor recreation, great history, shopping, medical care, business and industry at every turn.

The historic downtown boasts specialty and antique shops, restaurants, and a coffee/book shop. A historic walking tour brochure guides visitors to over 40 buildings listed on the local, State and National Historic Registers.

The city offers the Clark Cultural Arts Center, a 9-hole golf course, six public parks, a skateboard park, tennis and volleyball courts, ball diamonds, an ice skating/hockey rink, and the 50-acre Listeman Arboretum Nature Trail. Enjoy our local trails on an ATV, off-road motorcycle, snowmobile, mountain bike or by horseback.

To ensure a comfortable stay, we offer motels, historic B&Bs, fine dining and an airport.

The friendly residents of Neillsville invite you to visit for a day, a week, or a lifetime.

# Owen-Withee

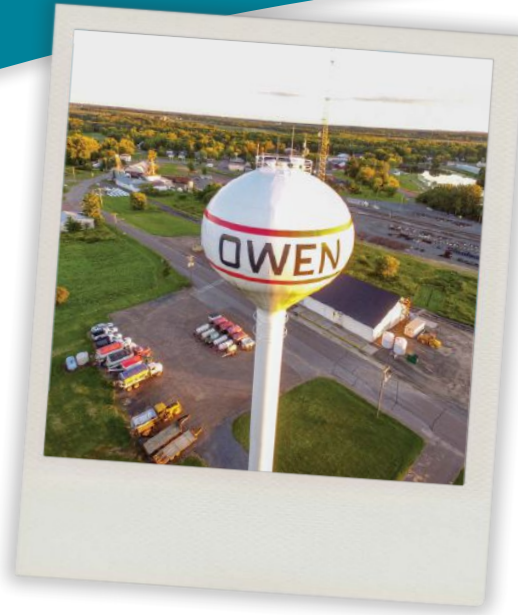

## Welcome to Owen

The City of Owen is growing! Historically, Owen was an important business hub in the region and an early leader in the lumber industry. Our "Main Street" is like walking through a bygone era. Travel the Historic Yellowstone Trail as it winds through our downtown. It is not hard to imagine 100 years past and the people that were coming to make this their home. The Woodland Hotel is currently under renovation and will open sometime in the future. It joined the Old Owen School on the State and National Historic Registers in 2016. Historic Downtown Owen is making a comeback!!

Centrally located and right along 4 lane Highway 29 between Chippewa Falls and Wausau, as well as on the CN mainline between Chicago and Superior, Owen is in a great position to meet your business and industrial needs. Business friendly Owen has rolled out the carpet for new businesses. The City has acquired the land on either side of the Highway 29 Exit Ramp and is currently seeking businesses to partner with. Call 715-229-2404 for more information. We also have an abundance of potential downtown locations and are always looking for business-minded people to bring their specialty shops to our active "Main Street".

We are very proud of the Owen-Withee School District and our quality small town education. Nature is abundant and there are always plenty of outdoor activities to do. The Popple River Trail and Owen-Withee Bike Trail combine to make about 5 miles of safe hiking and biking for the whole family. Our 9 hole golf course is unique and challenging. ATV and other trails wind throughout the city and surrounding areas. The newly opened ATV/UTV Routes make the city completely accessible and offers connection to the Northern Clark County Trails that connect to many, many miles of fun and enjoyment. Hunting, fishing, hiking, biking and canoeing are all within the community.

**Come and see what's going on in our historic lumber town - make some friends & stay a while!**

## Small, friendly place

The Village of Withee is nestled on the north end of Clark County, right off of Highway 29 and Highway 73. The Village was founded in 1870 and named after the businessman and landowner, N.H. Withee, who became the first postmaster of Withee.

## Shop & dine

Though we are small, we have many places to dine. There is Chester's Chicken signature fried chicken, A&W's famous fresh-made root beer, Paula's Country Diner with full menu, Midway Bar's tasty burgers, the new Beaver's Bar & Grill preparing homemade pizza, and the new Scoops Ice Cream with hand-dipped cones. Visit our exciting array of specialty shops in the area including greenhouses, metal artisans, sewing shops, auction barns, gift shops, as well as nearby Munson Bridge Winery and a number of Mennonite shops.

## All seasons, all fun

Local snowmobile and ATV trails travel right through the village. Summertime is filled with softball tournaments and junior league at the impressive ball park. In addition, there are horseshoes, darts, pool, archery, volleyball, and golf leagues in the area. The Lion's Park is a great place to hold parties and family gatherings. On Fathers' Day weekend, the Owen-Withee Lion's Club holds the annual Withee Days Celebration. The festivities include softball tournaments, live music, bingo, BBQ chicken dinner, queen coronation, and Sunday parade.

## History of the Krueger House

A 1998 Badger Book published "A War of Their Own", depicting four Krueger boys dodging the draft of World War I. A shootout at the Krueger house became a well known historic event and the house still stands complete with bullet holes and bullets from the shoot out.

## Place for business

The Village of Withee has been proactive in bringing new businesses to the area. The Village offers a 40 acre industrial park near Highway 29 and Highway 73 for business expansion. We are very proud of the quality of businesses that are currently located in Withee. If you are looking to start or move a business, check out our business park. Withee is a great place to work, live and play.

The first settlers arrived in Willard around 1907. In its early days, Willard was considered a logging area. Throughout the years, the land was converted and used for agricultural purposes. Willard is widely known for its annual Polka Fest & Rummage Sale the last weekend in June. There are numerous facilities that enhance the area such as Rock Dam and Mead Lake, two good fishing and recreational camping lakes within 7 miles of Willard. Snowmobile and ATV trails lead into Willard during the winter recreational seasons. Don't miss a visit to Settlers Park.

# Thorp

## A place to belong

Located in the northwestern corner of Clark County on Highway 29, Thorp is the gateway to Wisconsin's agricultural epicenter. Thorp has a healthy local economy and a busy main street, where you'll find a unique and vibrant blend of businesses, quaint horse-drawn wagons and modern culture and technology.

## Outdoor adventure

Thorp has over 60 acres of parks and green space, scenic biking and walking trails, an outdoor skating rink with a staffed warming house in winter, and a large modern zero-entry pool with a 155-foot water slide in the summer. The surrounding area offers ample opportunities to hunt, fish, boat, canoe or ride snowmobiles or ATVs. And don't miss Ulica Kwiatow, our famous Street of Flowers in full bloom from May through September.

## Dine & shop

Visit our Main Street and other commercial districts to shop our great assortment of local stores. Hungry or thirsty after shopping? Many local restaurants and taverns await you with their finest. And don't miss out on our local award winning cheeses, meats, and baked goods.

## History of Thorp

Thorp in 1870 was a land of timber; the abundant pines and hardwoods were the base of the area's first industries, in shingles, barrel staves, and charcoal. The earth furnished red clay for bricks used to construct businesses and homes, many of which are still in use. In the early 1900s, dairying was so well established that farmers brought cheesemakers to the area to begin processing our now famous cheeses.

## ATVing/UTVing

Tackle the fun terrain, zoom past scenic vistas and take in some of the best that Mother Nature has to offer on a Clark County ATV/UTV adventure. With more than 135 miles of spring, summer and fall trails waiting for you, you're sure to have a blast on your quad. The trails and routes wind and loop through the 134,500-acre Clark County forest. Winter ATV trails total 170 miles, making it a great destination for year-round riding. The trails connect to five Clark County campgrounds and parks. Six strategically located parking lots serve the trails. Convenient trail access is located throughout the county forest. Trail amenities include parking lots, loading ramps, day use areas, fuel and food. In addition, our ATV trails connect with Jackson and Eau Claire County trail systems for an extended riding experience. More information: [co.clark.wi.us](http://co.clark.wi.us)

## Bicycling

The Levis/Trow Mound Recreational Area in Southern Clark County Wisconsin, has become one of the premier mountain biking destinations in the Midwest. This cluster is one of the most overlooked in all the land and offers climbing not normally found outside of mountainous regions. Every ingredient necessary for great mountain biking is found here—stunning, unobstructed views, incredible singletrack, and beautiful medium-paced cross-country trails to transport riders around the grounds. Two towering mounds dominate the diverse terrain. Deer, turkey, fisher, bear, coyote and even a stray wolf can be spotted among the forested 300 foot tall sandstone bluffs. Well known for its fantastic 24 miles of mountain bike singletrack trails and home of an IMBA Epic Ride, Levis offers riders a variety of terrain, from easy meandering wooded singletrack to technical pitches and outstanding views of the surrounding 134,500 acre county forest. Levis Mound has been the home of the WEMS Buzzard Buster Mountain Bike Race, 12-hour and 100-mile WEMS races, and The Sweaty Yeti fatbike race, as well as other bike and racing events. Winter fatbike riders will find over 13.5 miles of machine packed snow bike singletrack trails, open all winter for a unique riding experience. More information: [co.clark.wi.us](http://co.clark.wi.us)

## Golfing

This is a sport for all ages, as well as a great social experience with the chance and opportunity to play competitively. Then add the outdoor environment providing physical exercise in the natural countryside. No matter your level of ability, golf guarantees excitement and fun. Enjoy a day with friends or family on one of Clark County's golf courses - Meadowview Country Club in Owen or the Neillsville Country Club.

## **Off-Road Motorcycling**

Knobby Ridge Motorcycle Trails offer approximately 16 miles of exciting and adventurous off-road trails which include 4 loops that wind through a stunning portion of the 134,500-acre Clark County Forest. For your convenience all motorcycle trails are clearly marked with white fiberglass posts and motorcycle decals. There is easy access to the trailhead located 8 miles west of Neillsville on State Highway 10. All motorcycles must have a trail use sticker. Trails are closed from March 16th to May 14th of each year and during the shooting hours of gun deer season. This trail also offers several youth loops, intensive use area and vault toilet. For your camping enjoyment, Snyder Campground is located nearby to help you take in all the beautiful scenery that Clark County has to offer. More information: [co.clark.wi.us](http://co.clark.wi.us)

## **Horseback Riding**

Clark County is proud to offer some of the finest horse trails in Wisconsin. Take a ride through nature's masterpiece and experience the beauty and wonder of the land from horseback. Wild Rock has long been recognized as a desired destination for horseback riding trails. Recent expansions now provide for more than 40 miles of horseback trails that wind and loop through a portion of the 134,500 acre Clark County Forest. The trail system utilizes forest lands ranging from easy to more difficult terrain. The Wild Rock Horse Trail is mostly family oriented and easy to ride, however, the Seven Sisters Trail is a bit more of a challenge. Wild Rock County Park provides convenient trail access and a day use area complimented by playground equipment and a shelter. Overnight camping is available with 27 campsites, sanitary dump station, potable water and electric and water service to many sites. Picket lines and manure bunkers are available for use within the campground. Just 4 miles northwest of Wild Rock County Park, Rock Dam campground and day-use area also provides shower facilities, beaches, laundry and a convenience store. Trail passes are available at the self-registration station at Wild Rock Park or online. More information: [co.clark.wi.us](http://co.clark.wi.us)

## **Hunting**

Bond with family and friends during the hunting seasons as old traditions continue and new ones begin. Clark County's abundant wildlife population attracts many sportsmen to the area. Large blocks of county forestlands, along with many acres of forest croplands, are open to the public for hunting, providing well over 134,500 acres of hunting grounds. The county forest is breeding ground for many varied species from black bear to otter. Whitetail deer populations average 20-25 deer per square mile of deer range. Turkey populations have been increasing county-wide with several zones of huntable numbers. There is also a healthy population of black bear in the county. Ducks, geese, and ruffed grouse are numerous and provide ample opportunity for hunters.

## Hiking

Enjoy spending some quality time with family and friends or take a leisurely walk by yourself. Learn about nature and your surroundings. The Clark County Forest allows hiking throughout its 134,500 acres and offers over 160 miles of trails, plus logging access trails and hunter trails that allow hiking at various skill levels. Levis/Trow Mound Recreational Area provides more than 34 miles of scenic trails and can be especially rewarding in the spring and fall when emerging plant life and autumn colors abound. A 1.5 mile segment is designed as a self-guided nature study trail with 15 stations that review a variety of natural resource features. Breathtaking views of Clark County can also be seen on connecting trails to the top of the mounds. Hiking opportunities also exist at Wildcat Mound (3 miles). Wildcat offers hiking opportunities that provide outstanding scenic vistas and a popular spot during fall colors. Geocachers from across the state are finding the Levis/Trow Mound area ideal for hide (and seeking) geocaches. Geocaching.com is the premier site to go explore anywhere in the world. Wildcat Mound is a spectacular feature in southwest Clark County. We also have great walking trails at The Highground Veterans Memorial Park that is open 24/7, year round as well as the Listeman Arboretum in Neillsville with a variety of trails along the Black River. More information: [co.clark.wi.us](http://co.clark.wi.us)

## Camping

Clark County campgrounds range from primitive to modern with direct access to the ATV, biking, and horse trails providing a unique camp and ride opportunity. Permits are also available for county forest camping. Russell Memorial Park, Clark County's largest campground and park, is a premier location offering water frontage on 821-acre Lake Arbutus, ATV trail access, full RV hookup and a wide range of modern amenities sure to meet your camping and recreation needs. Lake Arbutus is touted as the best fishery in Clark County. Russell Park is also close to Levis Mound Recreational Area which offers the best mountain bike trail system in the Midwest, exceptional hiking trails and breathtaking scenery. Rock Dam offers modern camping and many recreational choices providing for multi-season outdoor experiences. The associated Rock Dam Lake offers substantial opportunity for water-based recreation and relaxation on its beach, making it the go to location to beat the summer heat. The peaceful and relaxing setting of Snyder County Park, located on Snyder Lake, offers a quality family recreational experience. Snyder is a no-wake lake, providing for slower paced water recreation. Mead Lake County Park and Sherwood County Park are remote, quiet parks that promote a family camping atmosphere, great fishing and watersports opportunities. ## Cross Country Skiing

Clark County's premier cross-country ski trail system is Levis Mound. The Levis/Trow Mound Recreational Area consists of 17 miles of expertly groomed trails for skating and classic technique along with an additional 24 miles of ungroomed back country routes. The more advanced trails are located to the northwest on Trow Mound, while the easy and intermediate trails lie near the base of the mounds. Back country skiers can climb the narrow and difficult single track to the tops of the mounds for a spectacular view of the surrounding countryside. Deer, turkey, coyote and even a stray wolf can be spotted among the forested 300 foot tall sandstone bluffs. Ski trails are generally open the first part of December through the end of March of each year, depending on snow depth. More information: [co.clark.wi.us](http://co.clark.wi.us)

## Snowmobiling

Explore the winter landscape of snow-covered forests and snow-drifted fields on Clark County's more than 370 miles of well-groomed snowmobile trails. The trails meander through the 134,500 acre County Forest, as well as the many wood lots and rolling farmlands. Private and public lands provide the links to several communities as you traverse through the trail system. Clark County snowmobile trails serve as a major link to the state corridor network and adjoining counties. We offer many opportunities for lodging, dining and other activities with direct access to the trails. We hope that you will stay awhile and enjoy all that Clark County has to offer. More information: [co.clark.wi.us](http://co.clark.wi.us)

## Downhill Skiing, Tubing, & Snowboarding

Clark County boasts one of Wisconsin's great attractions with Bruce Mound's premium skiing and snowboarding conditions in a winter wonderland. The slopes are lighted for fantastic night adventures. State of the art snow making and grooming capabilities make every day like a fresh snowfall. Recent chairlift installation and new chalet construction will help ensure an enjoyable winter experience at Bruce Mound Ski Hill. For more fun in the snow, try out the five tubing runs that are great for the entire family! More information: [co.clark.wi.us](http://co.clark.wi.us)

# *Our backyard, your playground*

## **Snowshoeing**

Although the pace may slow a bit when winter and the snowfall begins, the many outdoor adventures continue. Young and old alike can master snowshoeing in a short time, making it a great family activity or a way of enjoying the winter solitude while enriching health and fitness. Snowshoeing is allowed throughout the Clark County Forest. Clark County has over 160 miles of trails, plus logging access trails and hunter trails that allow snowshoeing at various skill levels. The Levis/Trow Mound Recreational Area provides 19 miles of back country snowshoeing trails, ranging in skill level from easy to most difficult. Many of these trails offer the perfect backdrop for casual trekkers, wildlife photographers, and naturalists to observe and track wildlife. Snowshoeing is not allowed on groomed ski or bike trails at Levis Mound so users should use the 19 miles of back country trails. More information: [co.clark.wi.us](http://co.clark.wi.us)

## **Ice Skating**

Enjoy an exhilarating, inexpensive day that provides an excellent source of exercise and entertainment for the entire family at one of our free local outdoor skating rinks located in Owen, Thorp, Neillsville, Greenwood, and Loyal.

## **Fishing/Ice Fishing**

Throw out a line and pull in a memory. Clark County offers 3,700 acres of surface water for fish habitat and memory making. Game fish found in Clark County waters include muskellunge, walleye, large and small mouth bass, northern pike, and pan fish. Clark County has 593 miles of streams that are divided into three major river basins. They are the Chippewa Basin in the west, the Black River in the central, and the Wisconsin River in the eastern portion of the County. There are approximately 20 miles of trout streams in Clark County.

Enjoy fishing year round in Clark County as our lakes offer excellent ice fishing opportunities as well.

## Lakes, Rivers, & Streams

Enjoy a day on the water - relaxing, fishing, boating, canoeing, kayaking, swimming and so much more. Clark County has seven named lakes with an approximate total of 1,741 acres. There are a total of 150 named and unnamed streams in Clark County totaling 2,476 surface acres. These streams total about 593 miles. Our rock-strewn rivers and streams abound with fish, beaver, otter, muskrat, heron, sand hill crane, and eagle, giving the canoeist and fisherman memories from Clark County.

## Boating, Canoeing, Kayaking

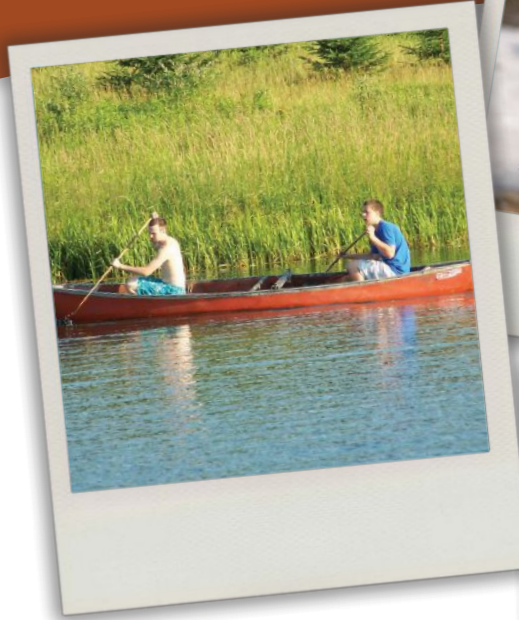

Feel the warmth of the sun on your face, the breeze in your hair, and the sparkle of the sunlight while enjoying some quality time on the water. Clark County offers visitors the silence of paddling a canoe or kayak, as well as the thrills of water skiing and the relaxation of pleasure boating. In addition to the many county lakes and swimming beaches, the area has approximately 120 miles of paddling streams. The Black River offers plenty of opportunities for the casual paddler with long stretches of wooded areas and several scenic bluffs. From the confluence of the Popple River to Lake Arbutus, the river is perfect for the experienced paddler. Depending on the flow, the Black River has enchanting back waters to deep, calm areas.

## Wildlife

Looking for ways to connect with nature and learn about the diversity of life? Clark County has an abundant wildlife population of whitetail deer, turkey, black bear, coyote, wolves, ducks, geese and ruffed grouse. Many of the impoundments in Clark County are managed for waterfowl habitat. Sportsman's Lake, north of Owen and the Wink Flowage near Neillsville provide many acres of waterfowl breeding, nesting and wood rearing habitat. Mallards, teal and wood ducks, as well as geese, commonly utilize these areas. Clark County is also home to a number of Wisconsin's endangered species including: Peregrine Falcon, Eastern Massasauga Rattlesnake, Barn Owl, Red-Shouldered Hawk, Great Egret, Bald Eagle, Cooper's Hawk, and the Karner Blue Butterfly.

## Ruffed Grouse

A good day of grouse hunting comes complete with fresh air, the scent of pine and spruce, beautiful fall colors and the smell of a dew-soaked dog. The ruffed grouse has been called the all-American game bird and is one of the most popular upland game birds to hunt. Ruffed grouse are most commonly known for their distinctive "drumming" noise produced by males during the spring breeding season. Male grouse will display on drumming logs, rapidly beating their wings with the intention of attracting a female grouse. The 134,500-acre Clark County Forest offers excellent ground cover and overhead cover for the ruffed grouse. The Frank Vazquez Ruffed Grouse and Woodcock Management Area in the Town of Washburn is a 1,288-acre unit intensively managed to promote woodcock and ruffed grouse habitat.

## Bird Watching

Welcome to Clark County, where a wonderful world of wildlife watching awaits you. Environmental tourism has become an important part of our diverse mix of outdoor recreation. Extensive wetlands, millions of acres of wild places, a broad range of natural habitat, and a commitment to environmental stewardship have made Clark County part of an outstanding regional birding opportunity. Clark County is part of the Central Sands Prairie Region of the Great Wisconsin Birding and Nature Trail. This project divides the state into five wildlife-viewing regions with driving trails that link important wildlife sites within each region.

**The Great Wisconsin Birding & Nature Trail** is a mapped auto trail that reaches into every area of the state. Full-color viewing guides with maps and descriptions of every site leads the nature traveler to warblers, shorebirds, eagles, loons, cranes and all manner of mammals found in some of the state's premier wildlife venues. Signs with the Sandhill Crane trail logo featured on this website mark sites on the trail.  
[www.wisconsinbirds.org/trail](http://www.wisconsinbirds.org/trail)

**Sportsman's Lake Wildlife Area**, a 1,200-acre wildlife area dominated by open marsh and grassy uplands is a good place to learn your waterfowl and add some new species to your checklist. During spring and fall migrations it attracts a variety of waterfowl and wetland birds.

**Signature species:** Tundra Swan & American Woodcock

**Rare species:** Least & American Bittern, Sora Rail & American Black Duck.

**Mead Lake**, the largest lake in Clark County, boasts a pair of county parks along its shores which include wetlands, woodlands, open water and shrubby marshlands. Besides viewing waterfowl of all types throughout the year, Osprey and Bald Eagles can be seen soaring on the summer thermals.

**Signature species:** Black-and-white Warbler & Clay-colored Sparrow

**Rare species:** American White Pelican & Osprey

**Schmidt Maple Woods State Natural Area**, is an 87-acre heavily forested area with a mix of prairie, forests, scrub and hardwood stands offering habitat that attracts a variety of songbirds and wildlife.

**Signature species:** Indigo Bunting, Scarlet Tanager & Chestnut-sided Warbler

**Rare species:** Red-shouldered Hawk & Winter Wren

**Rock Dam Lake** is a hotspot for ducks, herons and other water birds.

A number of small creeks and streams flow through the area and attract a variety of birds. Black bear and porcupines enjoy the large blocks of forest and can be seen along the roads at dawn or dusk.

**Signature species:** Red-bellied Woodpecker, Hermit Thrush & Broad-Winged Hawk

**Rare species:** Red-headed Woodpecker

## *Visit Clark County's local cheese artisans*

Clark County is the heart of Wisconsin's Dairyland, ranking first in state dairy production, number of cows, and number of dairy farms. Generations of family farms and cheesemakers have given Clark County its reputation for some of the best dairy products in the world. The combination of cows grazing on lush pastures, soils deposited by glaciers, and the glacial water supply result in many unique, award-winning cheeses. Cheesemakers even refer to terroir, a French term used to describe how the grapes' flavor reflects the soil, air and water of a particular region. Descriptions of cheese sound like a slight twist on the bouquet of wine. Creamy. Intense. Fruity. Earthy. Buttery. Tangy. A hint of hazelnut. A floral finish. Clark County is truly the Napa Valley of the cheese industry. These cheeses range from the original Colby cheese developed in 1885, by Joseph Steinwand in Colby, WI to artisan cheeses (handmade products made in small batches) and farmstead cheeses (products made on the farm from milk produced by cows on that farm). Generations of cheesemakers call Clark County their home.

# Honor. Educate. Heal. The Nation's Premier

The Highground in Neillsville is a 165-acre manned veterans memorial park that pays tribute to the fallen service men and women, and honors the survivors, their service, and their sacrifices. Our Mission is to Honor, Educate and Heal. When you come, you will see the National Native American Vietnam Veterans Tribute, The Wisconsin Vietnam Veterans "Fragments", The Wisconsin Persian Gulf Tribute, along with 15 other tributes. Or, enjoy a walk through our 4 miles of walking trails with a Developmental Forest, accessible treehouse and more for an educational nature experience. Great snowshoeing trails too! The Highground Veterans Memorial Park is a unique experience that you will not only see, but feel. The experience at The Highground is like no other in the country as we dedicate ourselves to our nation's finest, their families, and the public that must know these stories.

Call to find out information about our new 300-acre camp for Veteran and Family Retreats!

# Welcome Home. Veterans Memorial Park

## Museum

In 2018 The Highground Museum opened and continues to grow its collection of memorabilia and artifacts that will amaze you. Changing exhibits will explore a wide range of topics as they are procured from around the country. You are always welcome to stop in for one of our veteran educational/reunion afternoons. Veterans inform guests about their experiences, educating us on what happened during their tour. There are always plenty of new and exciting things happening in our museum in which you can participate.

Located 4 miles west of Neillsville on U.S. Hwy 10 or 30 Miles east of Osseo from the juncture of Interstate 94 and Hwy 10

Park is open 24/7, 365 Days a Year · Visitors Center, Gift Shop, and Tour hours may vary.

## **1897 CLARK COUNTY JAIL MUSEUM (I-12)** **215 E 5th St, Neillsville**

Visit the Historic 1897 Clark County Jail Museum and take a memorable trip back in time. Placed on the National and Wisconsin Historic Registers in 1978, the Museum is open each Sunday from 1-4 p.m. (Memorial Day - Labor Day). This one-of-a-kind building is noted for its "castle-like" appearance,

complete with turrets and a formidable 3-story fortress-like architecture. As you walk through the front door, you enter the residence portion of the building. Each sheriff and his family lived in the two-story Victorian home during each term of office. The period furniture, ornate staircase, formal parlor with original Italian marble fireplace, and original virgin pine woodwork are highlights of the residence. Each room features a collection of items unique to the time period and Clark County: a child's bedroom, an authentic jewelry store, the Listeman family music room, and a room filled with photos and records, to name a few. The jail portion of the museum houses old law enforcement equipment and two floors of six cell blocks. Each block features a glimpse back in time to such places as the barbershop, the mercantile, the doctor's office, and a rural school house. The final floor houses our extensive display of flags, military artifacts, and uniforms from the Civil War to present day. Bus tours and/or other group tours are available by appointment. Call the museum at 715-743-2150. [www.1897clarkcountyjailmuseum.com](http://www.1897clarkcountyjailmuseum.com)

## **BRANSTITER OLD STREETS OF GREENWOOD MUSEUM (I-7)** **600 S Main St, Greenwood**

The museum houses a collection of over 400 items which include both tools and equipment used in the early dairying and lumbering days, along with over 170 photographs of early Greenwood depicting people, places and events. Visitors will enjoy collections of antique miniature cars, coins dating back to 1934, toy tractors from 11 different manufacturers, a

stamp collection, an American Legion display, a grade school classroom, an old-fashioned kitchen, and a quilt celebrating Greenwood's Centennial (1890-1991). Many items in the museum have been donated by local residents as well. The Museum is located at 600 South Main Street on the south edge of Greenwood and is available for touring. Special appointments for events such as reunions, tours, and school groups are available. Call the Greenwood city clerk at 715-267-6205. ## **LOYAL HISTORICAL SOCIETY (K-8)** **501 E Elm Dr (Hwy 98), Loyal**

The Loyal Area Historical Society has 3 museum buildings: a replica of the Soo Line Railroad Station, a replica of a 1940's era gas station and a museum of store fronts from earlier days with a soda shoppe, kitchen, living room, and bedroom. Future plans include building a country schoolhouse. Housed in the two present buildings are many photographs and artifacts of earlier days, as well as a great deal of railroad history and artifacts. Two quilts made in the late 1800s are also on display. An interesting photo trip into the past is especially enjoyed by folks from the area. Donations of photographs or articles from the past are welcome. The museum buildings are located on Highway 98 as you enter Loyal from the east at 501 E Elm Drive. The museum is open for private individual or group tours by appointment. For further information, contact: Donna Langfeldt, Secretary (715-255-8127), Bud Smith (715-255-9313), Milton Knack (715-255-9900). Donations are always welcome. ## **O'NEILL MANOR (H-12)** **824 Hewett St, Neillsville**

Located in the heart of Neillsville, the 120-year-old Victorian style home sits on three acres of land with over 600 feet of water front on O'Neill Creek. Listed on the national, state, and local historic registries, this home was built in 1892, by John Hein, a local lumberman and merchant. Now a bed and breakfast, with many updated features and amenities, it still retains its historic look and aesthetic appeal. Original antique patina wood floors and woodwork, including the fireplace mantel and fretwork, complimented by three sets of eight foot tall pocket doors and ten foot tall ceilings. This friendly B&B is styled in Victorian-inspired decor and furnishings. The home is now owned by Jon and Julie Counsell. Jon's family

## **REED SCHOOL (J-12)** **N3694 Cardinal Ave (Hwy 10), Neillsville**

Built in 1915, the Reed School served as a one-room country school through 1951. It provided a first- through eighth-grade education with only one teacher. The school is typical of the more than 6,000 one-room schools that dotted the landscape of rural WI. Reed School offers visitors a unique interpretation of country school life by focusing on the first half of the 20th century, specifically 1939. Open Weekends: May-Oct 10am to 4pm. Arrangements can be made for weekday tours year round for groups of 10 or more. Located along US Hwy 10 about 2 miles east of Neillsville on Cardinal Avenue. Free Admission. For more information, call 608-253-3523 or

## **RURAL ARTS MUSEUM (O-3)** **1st St & Adams St, Colby**

On the north end of Colby, along a spur of railroad that brought civilization to the territory, is a collection of buildings filled with stories, artifacts, and memories of middle Wisconsin. The Rural Arts Museum is home to the original Colby Train Depot, built in 1872, and moved to the site in 1972. The history of the railroad is complemented by dairy industry memorabilia. A 1-room country school was added, including an extensive book collection. It helps recall how knowledge was shared in the days past. The jewel of the Rural Arts Museum is the Schopper Log Home. The Heritage Building features a historical rural main street displaying artifacts. The Rural Arts Museum is operated by volunteers and benefactors and is open on the 1st and 3rd Sundays, June-August, from 1-4 p.m., from Memorial Day to Labor Day and also by appointment. For more information, call 715-223-3259, or contact the Rural Arts Museum at P.O. Box 73, Colby, WI 54421. 1st St and Adams St (Behind Lion's Shelter), Colby, WI

## **SILVER DOME BALLROOM (F-12)** **W7670 US Hwy 10, Neillsville**

Located 5 miles west of Neillsville on Hwy. 10, the Silver Dome Ballroom is listed in the National and State Registers of Historic Places for its unique architecture and its rich entertainment history. Built during the Great Depression and operating since 1933, the Silver Dome features many original fixtures, a floating maple dance floor and a beautiful arching Lamella truss design, referring mainly to the honeycomb pattern of bolted ceiling beams which allows for a clear-span interior – not a single post, pillar or beam obstructs the interior view of the ballroom. Although there may be some remaining Lamella truss dome structures, those and all others ever built were squared at each end. No Lamella truss dome structure has ever featured the rounded, band-shell style ends found on the Silver Dome, making it a one-of-a-kind building. Another most remarkable feature of the Silver Dome's construction is that the ballroom rests on dozens of concrete

# Historical Sites & Museums

piers which hold the entire structure about a foot off the ground. This design not only allows sufficient airflow to prevent the floor beams, flooring and other foundation materials from rotting, it also provides such “give” to the dance floor that dancers report being able to dance for hours without discomfort as compared to other, less-forgiving dance floors. Area dancers describe it as a “floating” dance floor. Except for some minor interior remodeling, the structure remains almost exactly as it was built, including the concrete pier; the ceiling, floor and wall beams and boards; and the maple dance floor. Many of the original or long-time fixtures and contents also remain, such as the circular bar, walk-in center cooler and cash registers. Today, the Silver Dome continues to present a wide variety of the finest national, regional and local entertainers and host many of the most important events in the lives of area families and businesses. ## STANLEY AREA HISTORICAL SOCIETY MUSEUM (A-2)

228 Helgerson St, Stanley

The Stanley Area Historical Society Museum is located at 228 Helgerson Street in Stanley. The extensive collections include exhibits on the Northwestern Lumber Company, music, churches, toys, military education, wildlife, industries and businesses, logging, farming and carpenter and blacksmith tools. The most recent addition to the museum is a 1906 Cadillac in pristine condition. Call 715-644-5880 or 715-644-0464 for information.

## THORP AREA HISTORICAL & TELEPHONE MUSEUM (D-2)

305 W Birch St, Thorp

The Thorp Area Historical Society collects and displays history, genealogies, and artifacts of the area and world which have affected the local way of life. It also has a growing collection of early period farm equipment, machinery, clothing, household items, books, and war memories. It also includes the Telephone Heritage Room. Visitors will see over 100 telephones from around the world, dating back to 1894. The museum portrays the history of individual telephone companies in the state, preserving the stages of development and displaying the progression of the telephone industry from the late 1800s to the present. It is the only museum of its kind in the state of Wisconsin. [wiclarccountyhistory.org/clark/museums/ThorpMuseum.htm](http://wiclarccountyhistory.org/clark/museums/ThorpMuseum.htm)

## TUFTS' MANSION (I-12)

26 Hewett St, Neillsville

In 1885, Emery Bruley built the original Tufts' House in Neillsville. The house as it stands today reflects the changes of that period, as well as the personalities of each succeeding generation of owners. In 1886, the Bruley family exchanged houses with the Richard Dewhurst family. During this time the house took on a Victorian appearance. At Mr. Dewhurst's death in 1895, his daughter Mary and her husband, Wallace Hemphill, became the new owners. Reportedly, Marshall Fields did the interior decorating for their daughter's wedding in 1916. Mr. and Mrs. Robert Stoll then owned the house until 1961, when it was purchased by Colonel and Mrs. William B. Tufts, who did extensive remodeling. After their death, the home was given to the city for use as a museum. In 1996, the museum was purchased by Joseph and Stacie Boe. They restored much

of the home's original charm. In the spring of 2004, they sold the mansion to James and Dawn Voss who opened Tufts' Mansion Bed and Breakfast. Tufts' Museum is open for tours in summer, Sundays, 1-4 p.m. or by appointment. Call 715-743-3346 or visit [www.tuftsmansion.com](http://www.tuftsmansion.com).

## WCCN'S WISCONSIN PAVILION OF THE 1964-1965 NEW YORK WORLD'S FAIR (I-12) 1201 E Division St, Neillville

A landmark of the Neillville community for over five decades, WCCN's Wisconsin Pavilion originally served as the main entrance and basic exhibit for the State of Wisconsin at the 1964 and 1965 New York World's Fair in Flushing Meadow. Discover the story behind the Wisconsin exhibit at the Fair when you visit the Pavilion. Inside the Pavilion you will find central studios for three radio stations; 107.5FM WCCN "The Rock", 1370AM WCCN "Timeless" and 92.7FM WPKG "Today's Best Hits" and Pavilion Cheese & Gifts. At Pavilion Cheese and Gifts you will find an assortment of exceptional artisan and specialty cheese. Find boutique wine carefully selected from around the world including Munson Bridge Wine crafted right here in Clark County. Enjoy delicious treats like cranberry pancake mix and cranberry syrup, fudge, beer cheese soup, Door County caramel corn, maple syrup and honey -- all created in Wisconsin. Browse through Wisconsin keepsakes, sweatshirts, T-shirts or choose a Wisconsin custom-made basket full of Wisconsin creations. On the lower level of the Pavilion, you can view a private collection of New York World's Fair memorabilia, and outside, listen to Chatty Belle, the World's Largest Talking Cow, who stands 16 feet high at the shoulders and is 20 feet long. ## WOODLAND HOTEL (I-3) 207 Central Ave, Owen

The Woodland Hotel was designed by Claude & Starck and built by the John S. Owen Lumber Company in 1906. The 27-room hotel was billed as one of northern Wisconsin's finest hotels when it first opened, featuring running water, central heating, electricity, and a public telephone. It had a restaurant and a writing room on the main floor, a ladies parlor on the second floor, and a billiard room, a barber shop, public bath, and salesman sample room on the lower level. In later years, the Hotel introduced its widely acclaimed "Smorgasbord", a home-cooked buffet extravaganza that was second to none. A popular night club style bar with live entertainment was introduced in the lower level of the Woodland in the 1940s. The Woodland Hotel is listed on the Wisconsin and National Registers of Historic Places and located on the historic Yellowstone Trail ([www.yellowstonetrail.org](http://www.yellowstonetrail.org)).
